INFORMATION FOR INVESTORS

Excellent infrastructure, a skilled and educated workforce, a wealth of natural resources, affordable housing, development-friendly and accessible local government, abundant recreation opportunities and a favourable tax climate serve a growing and diverse economy.

UNIQUE LAKE COWICHAN

We are a vibrant, healthy, sustainable community that exists in harmony with the natural environment, enjoys a balanced economy, supports all generations and provides the opportunities to satisfy diverse social needs.

The area has much to offer potential investors or residents. An increasing number of workers commute to Duncan and as far as Victoria for jobs.

Forestry, tourism and industrial/manufacturing have been key drivers of the economy for many years. Lake Cowichan now seeks investment to diversify and balance the economy.

INVESTMENT OPPORTUNITIES

The Lake Cowichan Area is open for business! Investment opportunities include:

- **Forestry**
Primary — Logging on licensed woodlots, tree farm licenses and private land, heli-logging and log sorting
Secondary — All aspects of silviculture
- **Wood products value-added manufacturing** — Speciality forest products, sawmills and custom industrial and residential products.
- **Lake Cowichan First Nation** — is seeking investment partners for a waterfront café/ culture centre and residential subdivision.
- **Green industry** — Non-polluting light industries such as renewable energy or agriculture-related industries such as horticulture.
- **Tourism** — Tourism is a significant part of the Lake Cowichan economy, with adventure and eco-tourism the fastest-growing areas. Additional opportunities exist for fishing, kayaking, hiking, sightseeing trips and tours and resort accommodation.
- **Professional services** — Lawyers, accountants and management consultants in the forestry sector.

GOVERNMENT/ COMMUNITY PLANNING

A mayor and four councillors are elected every four years. They oversee the planning, maintenance and upkeep of the town's roads, services and buildings.

In 2011, Lake Cowichan completed a **Community Plan** to ensure sustainable growth to 2031. The Plan estimated a one-percent growth rate, increased need for social housing, the desire to limit the demands on the local water table and the need to develop environmental technologies to protect local resources.

Lake Cowichan upgraded the downtown core in 2013. This included library renovations, a new town square and a floating dock in Saywell Park. The improvements brought two new restaurants, a clothing store, a pre-fab cabinetry company and new medical services to the area.

Community upgrades are continuing with new signage projects and plans for a new municipal hall.

LIVING IN COWICHAN LAKE

Lake Cowichan is known for friendly people, fresh air, beautiful mountains and the most spectacular hiking, camping and fishing on Vancouver Island. Locals enjoy exploring the wetlands, streams and rivers, rocky bluffs, diverse lakeshores and beautiful forests in the region.

CLIMATE

Lake Cowichan has a Maritime-Mediterranean climate with warm and dry summers and mild winters. It averages 2,000 hours of sunshine annually. The growing season lasts for 250 days.
